INDIA

Built to Deliver

# ABOUT US

ARE YOU READY TO JOIN US ON THIS JOURNEY OF SUSTAINABLE PACKAGING?

Pepcom Private Limited is an innovative, disposable, eco-friendly food packaging company committed to offering responsible alternatives to conventional plastic packaging. We focus on combining sustainability, functionality, and modern design to support the evolving needs of the food service industry.

With a whopping 35 Lacs production capacity per month, we're smashing expectations! Our eco-friendly products are here to kick single-use plastics to the curb for food delivery.

We're on a mission to make India plastic-free, and we want YOU to join us as a partner. Let's make a greener future together!

Pepcom is a manufacturing company and is certified by MSME, DPIIT, ZED

# Why Choose Pepcom

Choosing Pepcom means more than choosing packaging. We help brands build stronger recognition in the industry by transforming everyday food packaging into a powerful branding tool—at an affordable cost. Our packaging enhances visual appeal, communicates brand values, tells a brand's story, and creates a lasting impression on customers, making brands look more professional, attractive, and credible.

# GREEN CREDENTIALS

Sustainability is embedded into our processes. From material selection to production practices, we continuously work toward minimizing waste and improving environmental efficiency.

## Our Product USPs

Water, Oil & Greaseproof

Hot Content Friendly

Microwavable

Table Alternative

Custom Packaging

Recyclable Packaging

Made From Renewable Resources

### ECO-FRIENDLY

Our Paper bowls are often made from renewable and eco-friendly materials, making them an environmentally friendly choice.

### COMPOSTED

Our paper bowls are easily recyclable & can be composted, reducing the impact on landfills compared to plastic or foam alternatives.

### LIGHTWEIGHT

Our Paper bowls are lightweight & easy to transport, making them convenient for takeout, picnics, & outdoor events.

### RECYCLABLE

Our paper bowls are made from materials that can be easily recycled, contributing to the reduction of waste in landfills.

## ECO-FRIENDLY MATERIALS

Custom Branding

Freezer Safe

Microwave Safe

Stackable

Our packaging is crafted using premium paperboards with oil and grease resistance, ensuring food safety while maintaining its original flavour over time. We use responsibly sourced, food-safe materials designed to be environmentally considerate without compromising on performance.

# What Our Clients Are Saying

"We recently ordered paper containers from Pepcom, and the entire experience has been exceptionally smooth and satisfying. The quality and finishing of the products are top-notch, clearly reflecting their commitment to excellence."

Initially, we were quite apprehensive about placing the order, especially considering the quantity and our concern about whether the final product would meet our expectations. However, Anwesa ji's proactive support and professionalism made the process seamless. She ensured that all our queries were addressed and personally followed up to make sure everything was on track.

The delivery was made right on time without any hassle, which is rare in today's market. We are truly impressed with Pepcom's reliability, quality, and customer service.

Highly recommended to anyone looking for premium paper containers with timely delivery and a professional approach.

Thank you, Pepcom & Anwesa ji, for the wonderful experience!"

- Mukul Bhatia (Marky Momos)

"I have purchased 1000ml kraft container for my cloud kitchen from Pepcom. Quality of their product is very good. The best part is the feel which it gives to any customer is premium. Highly recommend to everyone who are in this industry. Looking forward to use their other products soon!"

- Subhojit Sen (Harmony Pots)

"Been ordering from Pepcom for a while now. They always deliver on time and never give me any headaches. Order goes in, containers show up when they're supposed to. Simple as that. Good quality stuff and zero drama. Special thanks to Anwesa who's always there to help when I need it. That's all I need from a supplier. Recommended."

- Sanjha Bela  
(Sanjha Bela Restaurant)

"We have been using these disposable food-grade containers for quite some time, and the quality is outstanding. The material feels sturdy, completely safe for food, and holds both hot and cold items without any leakage or sogginess. The lids fit perfectly, making them convenient for takeaways and deliveries. What we love most is that they are hygienic, eco-friendly, and present food very well to customers. These containers have truly added value to our service, and we highly recommend them to anyone looking for reliable and safe food packaging solutions."

- Ranbir Singh (Gyani's Restaurant)
